WESTMINSTER FELLOWSHIP

Two Day Conference

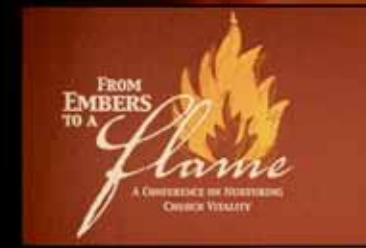

27th & 28th May 2013

in Wellington Presbyterian Church

Ballymena

from EMBERS to a FLAME

Aim:

"For God's glory, we promote spiritual health in churches throughout the world by applying biblical principles for church vitality."

Dr. Harry Reeder - is the Senior Pastor of Briarwood Presbyterian Church in Birmingham, Alabama, and "Embers to a Flame" is one of its ministries. He has served the Lord in numerous ways over the past 35 years including ministering through a daily radio program, "In Perspective." He is passionate about the ministry of church revitalization and authored, *From Embers to a Flame: How God Can Revitalize Your Church*. He has led Embers Conferences all around the world including South Africa, Kenya, Australia, Uganda, and South Korea.

"From Embers to a Flame" is a conference where proven church leaders draw upon their experiences of success and failure to illustrate key Biblical themes in church revitalisation. Over the last 18 years, this conference has been presented with acclaim across the United States, in Korea, Scotland, England, Kenya and Australia. Through this conference, hundreds upon hundreds of churches have been blessed as they have engaged with ten basic Biblical strategies.

SUMMARY

The Scripture presents a paradigm of moving from spiritual decline and functional malaise to Spirit-engendered vitality: the Church at Ephesus. God's instructions to that church serve as a curriculum outline for Church Revitalisation: "Remember therefore from where you have fallen, and repent and do the deeds you did at first..." (Rev. 2:5) That is the three-fold paradigm: Remember...Repent... Recover the first things.

This conference is for ministers, clergy, pastors, elders, Church workers, deaconesses, youth leaders and others in spiritual leadership within the Church of Jesus Christ. It is for all Believers who want to be actively involved in the revitalisation of their church. Churches will therefore benefit most when their ministers attend with other leaders.

RECOMMENDATIONS

"Harry Reeder is pastor of Briarwood Presbyterian Church, Birmingham, Alabama, one of the largest congregations in the PCA. His "Embers to a Flame" course has been used widely and many pastors and churches have been enriched by his insights. Through this course, Dr Reeder alerts us to potential problems in our churches, and helps us to apply biblical principles in order to rekindle the flames of godly growth. Nostalgia for past "glory days", a maintenance mentality, and a distraction from the gospel are all signs that a church is in need of revitalisation. I believe that most Irish Presbyterian congregations are in need of some level of renewal and this conference will be of great benefit to us all."

Stafford Carson
Former Moderator of the Presbyterian Church in Ireland

"I am delighted to commend to you Pastor Harry Reeder. Harry is a major voice in the Presbyterian Church in America. I believe his congregation is among the largest, if not the largest, in the entire denomination. His heart is on fire for the revival of the church, and his theological instincts for the same are biblical and reliable. He serves, as I do, on the council of The Gospel Coalition, which the Lord is using as a gospel-centred rallying point for the next generation of pastors and leaders in this country. I believe Harry will be a great encouragement to you in Ireland -- as you will be to him, I am sure."

Ray Ortlund
Speaker at the 2010 WF Conference on "The Reformed theology of Revival"

"Harry Reeder's story of how God transformed a small, comfortable, dying congregation provides many of the illustrations in this practical, challenging, people focused and God-centred course. Learning from a team of committed Bible teachers, discussing and praying together, as reformed thinking is applied to my daily ministry experience, did my heart good. Embers has encouraged me greatly in pastoral ministry in Dublin."

Chris Kennedy
Minister of Dun Laoghaire Presbyterian Church

Tim Keller of Redeemer Presbyterian Church New York, writing on the book entitled "From Embers to a Flame, How God can Revitalize your church", said, "Harry Reeder is more than a great preacher--he is gifted at spiritually revitalizing local congregations. And unless your church is a brand-new church plant, it needs some level of renewal! So we all can learn much for this volume".
